# | Annual Report 2018 |

Bigger.
Better.
Stronger.
Together.

# | To Our Shareholders |

Our accomplishments in 2018, both financially and strategically, underscore the relevance of our focus and direction as a progressive community bank. As outlined in American National's three-year strategic plan that guides us through 2021, we will remain a top-performing community bank by focusing on key objectives under the theme of Bigger, Better, Stronger.

We demonstrated our commitment to the "Bigger" part of this theme in October of 2018 when we announced our largest acquisition to date. With the merger with Roanoke-based HomeTown Bankshares Corporation and HomeTown Bank effective on April 1, we have expanded our presence in a market that we have enjoyed being part of for the past couple of years, in addition to building a presence in the New River Valley. We now have assets approaching \$2.5 billion and are one of the largest community banks headquartered in Virginia.

As we actively work to strategically grow in markets that afford the best opportunities for growth, we are also becoming "Better." We all recognize that bigger isn't everything, but by focusing on delivering a better banking experience for our customers and employees, we will continue to attract new customers and talent to our bank. We are actively seeking ways to improve processes to ensure it's easy to do business with us, while also investing in our bank's next generation of leaders.

Charles H. Majors I Chairman of the Board

Jeffrey V. Haley | President & Chief Executive Officer

With balance sheet growth during 2018 combined with our strong capital position and excellent asset quality, we are "Stronger" than ever. We plan to leverage our strengths as we demonstrate our ability to grow in both our new and existing markets. Our revenue growth was impressive in each of American National's three regions with year-over-year loan growth of \$21.4 million over 2017, and year-over-year

deposit growth was \$31.5 million, primarily driven by growth in non-interest bearing accounts.

Net income for 2018 was \$22.6 million, compared to \$15.2 million for 2017, a 48.1% increase, while earnings per share were \$2.60 for 2018 compared to \$1.76 for 2017. Net income for 2017 was impacted negatively by the enactment of the new federal tax law in December 2017, but it had a positive impact in 2018 and for future years.

|                    | 2018     | 2017     |
|--------------------|----------|----------|
| Net Income         | \$22,579 | \$15,249 |
| Earnings per share | \$2.60   | \$1.76   |
| Earnings per share | \$2.60   | \$1.76   |

Our growth, performance and accomplishments are not possible without a strong and committed team of bankers to carry out our vision. We have always known and appreciate that our greatest asset is our people, and we thank all 417 team members who now will be an integral part of American National's overall success.

We also recognize that a strong team is made stronger with the guidance and expertise of an experienced, dedicated and effective Board of Directors. We have a seasoned team of directors who bring the voice for the shareholders, customers and local markets to every decision, action and strategy of the Company.

We wish to recognize **Fred Blair** and **Frank Crist**, who will retire as directors at the May 2019 annual meeting. Mr. Blair has served on our board since 1992 and Dr. Crist joined us in 2006. We anticipate the board naming each of them as a director emeritus for the coming year.

With our HomeTown acquisition, we welcome new board members, with the addition of Nancy Agee, President & CEO of Carilion Clinic; Kenneth Bowling, Vice President, HT Bowling Inc.; and Susan Still, HomeTown Bank's President & CEO. Ms. Agee and Mr. Bowling now serve as directors of both the bank and the Company. Ms. Still is now a director of the bank and she has been nominated for election to the Company board at the annual shareholders' meeting in May. These directors will help ensure a smooth transition during HomeTown Bank's integration and beyond.

As we work to be Bigger, Better, and Stronger, we appreciate your support and your investment in our company. We look forward to ongoing success as we realize new opportunities and continue to deliver on our commitment to our shareholders, employees, customers, and communities.

Very truly yours,

Chine 1) My

2018 was an exciting year on all fronts for

milestones as we enter our 110th year of business.

Biggest and brightest among 2018's achievements is American National's acquisition of HomeTown

Bank. It's an important addition for many reasons, but perhaps the most significant of these is how well our banks complement each other and the extent to which we share missions and values. Cultural alignment is what makes most mergers successful (or not), and we knew early on it was a great fit with HomeTown.

Together we're now **BIGGER**, and American National has added 4 branches in key areas of Roanoke, Salem, and the New River Valley to our footprint, for a total of 28 offices. We have enjoyed being part of the Roanoke market and are excited to expand

our presence in this great community and also further into the New River Valley. With the additional locations, we'll inherit a great team of bankers and professionals to help us continue to grow.

But bigger isn't everything. Together we're now **BETTER** as well. While HomeTown was younger, having been founded in 2005, we did learn some things from their youth; pairing those learnings with our strong legacy of community banking, we have combined the best of both of our banks. In the spirit of constant improvement, we're actively refining what it means to be a community bank, and what we can offer the communities we serve.

Finally, coming together has made us even **STRONGER**. As a combined bank, we're now one of the largest independent community banks in the state, with assets of around \$2.5 billion. That means more possibilities, more growth and more support for the communities we call home.

For us, that's what it's all about. Community.

# **Community Growth:** News from across our footprint

American National Bank & Trust Company operates growing franchises in three regions surrounding our main office in Danville: North, South, and East. Each region is led by a Regional President and is composed of distinct markets, including a string of cities and counties we are proud to be part of.

Across our footprint, we are very involved in financial education through our partnerships with Everfi's Financial Literacy program, as well as loyal supporters of our local United Way chapters. We are guided by the belief that a community bank is only as strong as the communities it serves, and are very proud of the active role we play in growing and investing in each of our markets while staying true to the things that make each one unique.

There has been no shortage of activity, and what follows are highlights from some of this year's most important stories from across our regions.

# **NORTH REGION**

Led by Kevin Meade, the North Region stayed active with many community events across Roanoke, Franklin County, and Lynchburg.

# Roanoke

The biggest headline by far is American National's announcement of the merger with HomeTown Bank as we subsequently established Roanoke as our Virginia banking headquarters. We are excited to welcome our new colleagues and customers as we grow bigger, better, and stronger together.

American National sponsored the Big Lick Train Tug benefiting the Presbyterian Community Center for the second year. This unique event assembles teams of people to raise money and compete for the best time for pulling the iconic 611 locomotive a specified distance. We also enjoyed being part of Turn the Page's inaugural fundraiser, "The Rooftop is Waiting." Turn the Page is a non-profit organization promoting early learning that encourages parents to read to their children by providing new, age-appropriate books.

# **Franklin County**

Always active supporters in our local United Way chapters, we love the opportunity to write BIG checks to them (big both in monetary amount and physical size!) as our Rocky Mount team was able to do in 2018.

Market President Todd Hammock, as Treasurer of the area chamber, along with his community-oriented team stayed busy with many Smith Mountain Lake Chamber of Commerce events throughout the year.

# Lynchburg

American National proudly sponsored the Forest Rotary Club's annual Field of Honor from September 1-15. Market President Vikeesa Stultz had the honor of reading the mayoral proclamation on behalf of Lynchburg Mayor Tweedy at the Field of Honor opening ceremony.

Employees acquired a total of 14 bicycles, which were purchased by the central market of Lynchburg and Bedford and donated to Dearington Elementary School of Innovation during the end-of-year awards program.

#### **EAST REGION**

Charles Canaday leads our East Region, which includes Alamance County, North Carolina; Southside Virginia; and our home market of Danville in Pittsylvania County.

# **Pittsylvania County**

The community of Danville has seen a lot of resurgence on the economic development front, and we are proud to play an important role in this growth. John Settle, with his involvement on the Chamber of Commerce Board, and Market President Ted Laws, through his involvement with the River District Association (RDA), are both an active part of this rebirth. The RDA has done tremendous work revitalizing the downtown Danville community through public-private partnerships, events, and initiatives to help market the area's unique assets. In other Danville-area developments, American National played a key part in financing Kyocera's new 30,000-square-foot state-of-the-art facility through our partnership with The Industrial Development Authority of Danville.

#### **South Boston**

Market President Ronnie Moore chaired the Jeff
Nelson Memorial Golf Tournament, an event for
which American National was a major sponsor. The
tournament raised over \$7,500 for the Halifax County
Education Foundation to benefit its high school
athletics programs.

# **Alamance County**

American National has always been a leading sponsor of the Alamance Chamber of Commerce's Teacher of the Year program. We were thrilled when this year's recipient, Freebird McKinney, went on to complete for North Carolina Teacher of the Year. After winning the state competition, Freebird is now a candidate for National Teacher of the Year. It's our distinct pleasure to help support those who are creating our next generation.

The city of Mebane completed the construction of a highly anticipated new community park in November 2018. We were proud to be involved with financing this great community asset as it helps create another attraction for the charming and fast-growing Mebane

City of Mebane Community Park

community. This project is a prime example of our commitment to investing in our communities. We love when we can inject money directly into our communities to help them grow and prosper.

# **SOUTH REGION**

Our South Region is led by Rhonda Joyce and includes Greensboro, which was named our North Carolina banking headquarters; Winston-Salem; and Martinsville.

#### Greensboro

In this bustling corner of the Triad, we've stayed active in many community events, with Rhonda co-chairing the Habitat for Humanity Bankers Build as well as participating in the Simple Gesture program to help fight hunger. Our Chief Banking Officer, Gregg Strader, chaired the United Way of Greater Greensboro's Board of Directors for a second year. Gregg has been instrumental in leading American National's support of the United Way and helping them achieve their mission of improving lives and creating thriving communities.

# **Winston-Salem**

2018 marked the first full year of operation for our de novo Winston-Salem banking office and validated the need for an updated space, which we began renovating in 2018 under the leadership of Market

# we look forward to becoming more visible in this great city

President Trent Wall. After establishing ourselves and serving customers from an office space with no signage, we are excited to become significantly more visible in the community. With 9,800-square-feet, the new space is in a vibrant part of the city and will offer full-service banking with a drive-thru and ATM. The opening is planned for the third quarter of 2019, and we are looking forward to becoming a bigger, better, and stronger part of this great city.

AMNB's Winston-Salem location coming soon!

#### Martinsville

While Martinsville has long been known for its exciting short track, which we love, we've also enjoyed supporting some of its newly established community events as well. The Rooster Walk is one of the events growing in popularity that is playing a part in

Rooster Walk Kids Area sponsorship

reinventing Martinsville. As sponsor of the children's area, we helped create a fun event for families to enjoy during the multi-day music and art festival each spring.

# 2018 Charley Majors Achievement Award Recipient: Lisa Pass

# | Financials |

# FINANCIAL HIGHLIGHTS

as of December 31 (Dollars in thousands, except for share data)

Each year, one exceptional American National employee is selected to receive the Charley Majors Award in honor of our Chairman and retired Chief Executive Officer. Established in 2014, this award is presented to an individual who best exemplifies American National's Core Values. The recipient must possess an exceptional degree of character, high levels of personal integrity, and a sense of service that goes above and beyond expectations.

This year we are proud to present the Charley Majors Award to Lisa Pass, Manager of the Cum Park branch in Burlington. Lisa has been with the bank since 2004, having started her career with MidCarolina Bank, which was acquired by American National in 2012. As she has advanced in her career, Lisa has become adept at all aspects of branch management from start to finish.

"To say Lisa Pass is a self-starter would be a major understatement," says Charles Canaday, Jr., Executive Vice President. "She is a natural leader who plans a path ahead of schedule and sets a well-defined direction that is very clear for the entire team to follow. Above all else, she simply knows how to get things done!"

Lisa's dedication and work ethic have been highly visible throughout our merger with Franklin Community Bank, where she mentored new staff and set the example of how to deliver excellent customer service. Because of her strengths as a manager and leader, Lisa will also be assisting our newest team members throughout this year's merger with HomeTown Bank.

Another shining example of her commitment to service is the leadership role she informally took in a complex branch operational project involving routing and transit number conversion. Lisa quickly established a process and set of simple strategies to complete the necessary tasks. As a result, the Cum Park office was the first to complete their portion of the project, and the strategies Lisa developed were put into use at other branches.

In addition to her leadership role at American National, Lisa is highly active in her community, volunteering with Everfi for four years as well as partnering with Cummings High School to teach financial literacy to high school teenagers.

In the words of her manager, Matt Blake, "Lisa's leadership, teamwork and customer focus are her greatest components of success. She makes sure that everyone around her — both our customers as well as her fellow employees — know that they are valued and really matter."

On behalf of everyone at American National, we would like to extend our heartfelt congratulations to Lisa for receiving the 2018 Charley Majors Award and wish her continued success in her important role at American National Bank & Trust Company.

# **Forward-Looking Statements**

This Summary Annual Report may contain "forward-looking statements" within the meaning of federal securities laws that involve significant risks and uncertainties. Statements herein are based on certain assumptions and analyses by the Company and are factors it believes are appropriate in the circumstances. Actual results could differ materially from those contained in or implied by such statements for a variety of reasons including, but not limited to: financial market volatility including the level of interest rates could affect the values of financial instruments and the amount of net interest income earned; general economic or business conditions, either nationally or in the market areas in which the Company does business, may be less favorable than expected, resulting in deteriorating credit quality, reduced demand for credit, or a weakened ability to generate deposits; competition among financial institutions may increase and competitors may have greater financial resources and develop products and technology that enable those competitors to compete more successfully than the Company; businesses that the Company is engaged in may be adversely affected by legislative or regulatory changes, including changes in accounting standards; the ability to retain key personnel; the failure of assumptions underlying the allowance for loan losses; and risks associated with mergers, acquisitions, and other expansion activities. Consequently, all forward-looking statements made herein are qualified by these cautionary statements and the cautionary language in the Company's most recent Form 10-K report and other documents filed with the Securities and Exchange Commission. American National Bankshares Inc. does not undertake to update forward-looking statements.
