Item 1. Business

General

ShowBiz Pizza Time, Inc. (the "Company"), was incorporated in the State of Kansas in 1980 and is engaged in the family restaurant/entertainment center business. The Company considers this to be its sole industry segment.

The Company operated, as of March 13, 1998, 252 Chuck E. Cheese's Pizza ("Chuck E. Cheese's") restaurants. In addition, as of March 13, 1998, franchisees of the Company operated 61 Chuck E. Cheese's restaurants.

Chuck E. Cheese's Restaurants

Business Development

Chuck E. Cheese's restaurants offer a variety of pizza, a salad bar, sandwiches and desserts and feature musical and comic entertainment by life-size, computer-controlled robotic characters, family oriented games, rides and arcade-style activities. The restaurants are intended to appeal to families with children between the ages of 2 and 12. The Company opened its first restaurant in March 1980.

The Company and its franchisees operate in a total of 44 states and the Company has concentrated its ownership and operation of Chuck E. Cheese's restaurants within a 32-state area. See "Item 2. Properties."

The following table sets forth certain information with respect to the Chuck E. Cheese's restaurants owned by the Company (excludes restaurants managed by the Company for others and franchised restaurants):

	1997 ----	1996 ----	1995 ----
Average annual revenues per restaurant (1)	\$1,437,000	\$1,286,000	\$1,178,000
Number of restaurants open at end of period	246	240	222
Percent of total restaurant revenues:			
Food and beverage sales	68.2%	70.1%	70.2%
Game sales	28.6%	26.6%	26.6%

Merchandise sales 3.2% 3.3% 3.2%

- -----
(1) In computing these averages, only restaurants which were open for a period greater than one year at the beginning of each respective year were included (225, 213 and 190 restaurants in 1997, 1996 and 1995, respectively). Fiscal year 1997 consisted of 53 weeks while each of fiscal years 1996 and 1995 consisted of 52 weeks.

The revenues from Chuck E. Cheese's restaurants are seasonal in nature. The restaurants tend to generate more revenues during the first and third fiscal quarters as compared to the second and fourth fiscal quarters.

Each Chuck E. Cheese's restaurant generally employs a general manager, one or two managers, an electronic specialist who is responsible for repair and maintenance of the robotic characters and games, and 45 to 75 food preparation and service employees, most of whom work only part-time.

Page 2

To maintain a unique and exciting environment in the restaurants, the Company believes it is essential to reinvest capital through the evolution of its games, rides and entertainment packages and continuing enhancement of the facilities. In 1994, the Company initiated a "repositioning" program to evolve and expand its efforts to significantly enhance its Chuck E. Cheese's restaurants. Between March 1994 and September 1997, all Company operated restaurants were remodeled under this program. In 1997, the Company initiated a Phase II upgrade program that generally includes a new game package, enhanced prize and merchandise offerings and improved product presentation and service. The Company completed Phase II upgrades in 107 restaurants in 1997 and plans to upgrade an additional 100 to 120 restaurants in 1998.

The Company expanded the customer areas of three, seven and seven existing stores in 1995, 1996 and 1997, respectively. The Company plans to expand the customer areas of another 12 to 15 restaurants in 1998. The customer area is typically increased by an average of 1,000 to 4,000 square feet per store.

The Company opened two new Chuck E. Cheese's restaurants in 1997 and one new restaurant in 1995. The Company anticipates adding approximately 18 to 22 new restaurants in 1998 through a combination of new restaurants and the acquisition of existing restaurants. The Company periodically reevaluates the site characteristics of its restaurants. In the event certain site characteristics considered essential for the success of a restaurant deteriorate, the Company will consider relocating the restaurant to a more desirable site.

The Company believes its ownership of trademarks to the names and character likenesses featured in the robotic animation stage show (and other in-store entertainment) in its restaurants to be an important competitive advantage.

Restaurant Design and Entertainment

Chuck E. Cheese's restaurants are typically located in shopping centers or in free-standing buildings near shopping centers and generally occupy 8,000 to 14,000 square feet in area. Chuck E. Cheese's restaurants are typically divided into three areas: a kitchen and related area (cashier and prize area, salad bar, manager's office, technician's office, restrooms, etc.) occupies approximately 35% of the space, a dining area occupies approximately 25% of the space and an playroom area occupies approximately 40% of the space.

The dining area of each Chuck E. Cheese's restaurant features a variety of comic and musical entertainment by computer-controlled robotic characters, together with video monitors and animated props, located on various stage type settings. The dining area typically provides table and chair seating for 250 to 375 customers.

Each Chuck E. Cheese's restaurant typically contains a family oriented playroom area offering approximately 40 coin- and token-operated attractions, including arcade-style games, kiddie rides, video games, skill oriented games and other similar entertainment. Most games dispense tickets that can be redeemed by guests for prize merchandise such as toys and dolls. Also included in the playroom area are tubes and tunnels suspended from or reaching to the ceiling ("SkyTubes") or other free attractions for young children, with booth and table seating for the entire family. The playroom area normally occupies approximately 60% of the restaurant's public area and contributes significantly to its revenues. A limited number of free tokens are furnished with food orders. Additional tokens may be purchased. These tokens are used to play the games in the playroom.

Food and Beverage Products

Each Chuck E. Cheese's restaurant offers varieties of pizza, a salad bar, sandwiches and desserts. Soft drinks, coffee and tea are also served, along with beer and wine where permitted by local laws. The Company believes that the quality of its food compares favorably with that of its competitors.

The majority of food, beverages and other supplies used in the Company-operated restaurants is currently distributed under a system-wide agreement with a major food distributor. The Company believes that this distribution system creates certain cost and operational efficiencies for the Company.

Page 3

Marketing

The primary customer base for the Company's restaurants consists of families having children between 2 and 12 years old. The Company conducts advertising campaigns targeted at families with young children that feature the family entertainment experiences available at Chuck E. Cheese's restaurants and are primarily aimed at increasing the frequency of customer visits. The primary advertising medium continues to be television, due to its broad access to family audiences and its ability to communicate the Chuck E. Cheese's experience. The television advertising campaigns are supplemented by promotional offers in newspapers.

Franchising

The Company began franchising its restaurants in October 1981 and the first franchised restaurant opened in June 1982. At March 13, 1998, 61 Chuck E. Cheese's restaurants were operated by a total of 39 different franchisees, as compared to 69 of such restaurants at March 14, 1997. In September 1996, the Company purchased all of the 19 Chuck E. Cheese's restaurants owned by its largest franchisee. The Company sold five franchises in 1997. Opportunities for further international franchise development are being reviewed by the Company.

The Chuck E. Cheese's standard franchise agreements grant to the franchisee the right to develop and operate a restaurant and use the associated trademarks within the standards and guidelines established by the Company. The franchise agreement presently offered by the Company has an initial term of 15 years and includes a 10-year renewal option. The standard agreement provides the Company with a right of first refusal should a franchisee decide to sell a restaurant. The earliest expiration dates of outstanding Chuck E. Cheese's franchises are in 1998.

The franchise agreements governing existing franchised Chuck E. Cheese's restaurants currently require each franchisee to pay: (i) to the Company, in addition to an initial franchise fee of \$50,000, a continuing monthly royalty fee equal to 3.8% of gross sales; (ii) to the Advertising Fund [an independent fund established and managed by an association of the Company and its franchisees to pay costs of system-wide advertising (the "Association")] an amount equal to 1.4% of gross sales; and (iii) to the Entertainment Fund (an independent fund established and managed by such Association to further develop and improve entertainment attractions) an amount equal to 0.4% of gross sales. In 1998, the Advertising Fund will increase assessments from 1.4% of gross sales to 2.15% of gross sales. The Chuck E. Cheese's franchise agreements also require franchisees to expend at least 2.0% of gross sales for local advertising. Under the Chuck E. Cheese's franchise agreements, the Company is required, with respect to Company-operated restaurants, to spend for local advertising and to contribute to the Advertising Fund and the Entertainment Fund at the same rates as franchisees.

Competition

The restaurant and entertainment industries are highly competitive, with a number of major national and regional chains operating in the restaurant or family entertainment business. Although other restaurant chains presently utilize the combined family restaurant / entertainment concept, these competitors primarily operate on a regional, market-by-market basis.

The Company believes that it will continue to encounter competition in the future. Major national and regional chains, some of which may have capital resources as great or greater than the Company, are competitors of the Company. The Company believes that the principal competitive factors affecting Chuck E. Cheese's restaurants are the relative quality of food and service, quality and variety of offered entertainment, and location and attractiveness of the restaurants as compared to its competitors in the restaurant or entertainment industries.

Monterey's Tex-Mex Cafe Restaurants

The Company, through its wholly owned subsidiary BHC Acquisition

Corporation ("BAC"), operated 27 Monterey's Tex-Mex Cafe restaurants which were sold in May 1994.

Trademarks

The Company owns various trademarks, including "Chuck E. Cheese" and "ShowBiz" that are used in connection with the restaurants and have been registered with the United States Patent and Trademark Office. The duration of such trademarks is unlimited, subject to continued use. The Company believes that it holds the necessary rights for protection of the marks considered essential to conduct its present restaurant operations.

Government Regulation

The development and operation of Chuck E. Cheese's restaurants are subject to various federal, state and local laws and regulations, including but not limited to those that impose restrictions, levy a fee or tax, or require a permit or license on the service of alcoholic beverages and the operation of games and rides. The Company is subject to the Fair Labor Standards Act, the Americans With Disabilities Act, and family leave mandates. A significant portion of the Company's restaurant personnel are paid at rates related to the minimum wage established by federal and state law. Increases in such minimum wage result in higher labor costs to the Company, which may be partially offset by price increases and operational efficiencies.

Working Capital Practices

The Company attempts to maintain only sufficient inventory of supplies in the restaurants which it operates to satisfy current operational needs. The Company's accounts receivable consist primarily of credit card receivables, franchise royalties, management fees and advances to managed properties.

Employees

The Company's employment varies seasonally, with the greatest number being employed during the summer months. On March 13, 1998, the Company employed approximately 13,600 employees, including 13,400 in the operation of Chuck E. Cheese's restaurants and 200 employed by the Company in the Company's executive offices. None of the Company's employees is a member of any union or collective bargaining group. The Company considers its employee relations to be good.

The restaurant leases require the Company to pay the cost of repairs, insurance and real estate taxes and, in many instances, provide for additional rent equal to the amount by which a percentage (typically 6%) of gross revenues exceeds the minimum rent.

Item 7. Management's Discussion and Analysis of Financial Condition and Results Of Operations.

Results of Operations

1997 Compared to 1996
- - - - -

Revenues increased 19.1% to \$350.3 million in 1997 from \$294.0 million in 1996 primarily due to an increase of 10.7% in sales of the Company's Chuck E. Cheese's restaurants which were open during all of 1997 and 1996 ("comparable store sales"). In addition, the Company purchased 19 restaurants from its largest franchisee in September 1996. Fiscal years 1997 and 1996 consisted of 53 and 52 weeks, respectively.

Income before income taxes increased to \$42.7 million in 1997 from \$22.2 million in 1996. A material portion of operating costs are fixed resulting in an improvement of operating margins at higher sales levels. Net income increased to \$25.5 million in 1997 from \$13.2 million in 1996. The Company's diluted earnings per share increased to \$1.34 per share in 1997 compared to \$.70 per share in 1996.

A summary of the results of operations of the Company as a percentage of revenues for the last three fiscal years is shown below.

Revenues

Revenues increased to \$350.3 million in 1997 from \$294.0 million in 1996. Comparable store sales of Chuck E. Cheese's restaurants increased by 10.7% in 1997. In addition, the Company purchased 19 restaurants from its largest franchisee in September 1996. Average annual sales per restaurant increased to approximately \$1,437,000 in 1997 from approximately \$1,286,000 in 1996. Fiscal years 1997 and 1996 consisted of 53 and 52 weeks, respectively. Management believes that several factors contributed to the comparable store sales increase with the primary factor being sales increases at repositioned restaurants. Menu prices increased 2.4% between the two years.

Revenues from franchise fees and royalties were \$3.2 million in 1997, a decrease of 12.2% from 1996, primarily due to the Company's purchase of 19 franchise restaurants in September 1996. Comparable franchise store sales increased 9.1% in 1997. During 1997, one new franchise restaurant opened, six franchise restaurants closed and two franchise restaurants were purchased by the Company.

Costs and Expenses

Costs and expenses as a percentage of revenues decreased to 87.8% in 1997 from 92.4% in 1996.

Cost of sales as a percentage of revenues decreased to 46.8% in 1997 from 48.7% in 1996. Cost of food, beverage, prize and merchandise items as a percentage of restaurant sales decreased to 16.5% in 1997 from 17.4% in 1996 primarily due to a 2.4% increase in menu prices and lower cheese costs in 1997. Restaurant labor expenses as a percentage of restaurant sales declined to 27.5% in 1997 from 28.7% in 1996 primarily due to labor efficiencies achieved at higher sales volumes.

Selling, general and administrative expenses as a percentage of revenues increased to 15.1% in 1997 from 14.8% in 1996 primarily due to start-up costs related to the outsourcing and evaluation of a toll-free birthday reservation system, management development expenses and stock offering costs incurred in 1997 for a secondary offering by the Company's largest shareholder.

Depreciation and amortization expense as a percentage of revenues decreased to 7.3% in 1997 from 8.5% in 1996 primarily due to the increase in comparable store sales, a change effected in the first quarter of 1997 in the estimated useful lives of certain fixed assets and the acquisition of restaurants in 1996 with lower depreciation expense than existing restaurants. Depreciation

expense was reduced approximately \$2.2 million in 1997 due to the change in the estimated useful lives of certain fixed assets based on a review of historical asset utilization.

Interest expense decreased to \$2.9 million in 1997 from \$3.5 million in 1996 primarily due to a decrease in the Company's outstanding debt between the two periods.

Other operating expenses decreased as a percentage of revenues to 17.8% in 1997 from 19.1% in 1996 primarily due to the increase in comparable store sales and the fact that a significant portion of operating costs such as rent, property taxes and insurance are fixed.

Net Income

The Company had net income of \$25.5 million in 1997 compared to \$13.2 million in 1996 due to the changes in revenues and expenses discussed above. The Company's diluted earnings per share increased to \$1.34 per share in 1997 compared \$0.70 per share in 1996.

1996 Compared to 1995

Revenues increased 11.5% to \$294.0 million in 1996 from \$263.8 million in 1995 primarily due to an increase of 9.8% in comparable stores sales. In addition, the Company purchased 19 restaurants from its largest franchisee in September 1996.

Income before income taxes increased to \$22.2 million in 1996 from \$375,000 in 1995. A material portion of operating costs are fixed resulting in an improvement of operating margins at higher sales levels. Net income increased to \$13.2 million in 1996 from \$63,000 in 1995. The Company's diluted earnings per share increased to \$0.70 per share in 1996 compared to a loss of \$0.02 per share in 1995.

Revenues

Revenues increased to \$294.0 million in 1996 from \$263.8 million in 1995. Comparable store sales increased by 9.8% in 1996. In addition, the Company purchased 19 restaurants from its largest franchisee in September 1996. Average annual sales per restaurant increased to approximately \$1,286,000 in 1996 from approximately \$1,178,000 in 1995. Management believes that several factors contributed to the comparable store sales increase with the primary factor being sales increases at repositioned restaurants. Menu prices increased 3.2% between the two years.

Revenues from franchise fees and royalties were \$3.7 million in 1996, an increase of 6.1% from 1995, primarily due to an increase in franchise fee income in 1996 and an increase of 3.6% in comparable franchise store sales for 1996. The increase in comparable franchise store sales was partially offset by a decline in the number of franchise restaurants operated each year. During 1996, four new franchise restaurants opened, eight franchise restaurants closed and 19 franchise restaurants were purchased by the Company.

Costs and Expenses

Costs and expenses as a percentage of revenues decreased to 92.4% in 1996 from 99.9% in 1995.

Cost of sales as a percentage of revenues decreased to 48.7% in 1996 from 51.8% in 1995. Cost of food, beverage, prize and merchandise items as a percentage of restaurant sales decreased to 17.4% in 1996 from 17.9% in 1995 primarily due to a 3.2% increase in menu prices. Restaurant labor expenses as a percentage of restaurant sales declined to 28.7% in 1996 from 30.9% in 1995 primarily due to an increase in comparable store sales and more effective utilization of hourly employees.

Selling, general and administrative expenses as a percentage of revenues decreased to 14.8% in 1996 from 17.0% in 1995 primarily due to comparable store sales increases and a reduction of advertising costs between the two periods.

Depreciation and amortization expense as a percentage of revenues decreased to 8.5% in 1996 from 8.8% in 1995 primarily due to the full amortization of certain deferred charges.

Interest expense increased to \$3.5 million in 1996 from \$3.1 million in 1995 primarily due to an increase in the Company's average outstanding debt between the two periods. Debt increased as a result of capital expenditures in connection with the repositioning of 126 and 87 restaurants in 1996 and 1995, respectively.

The Company had a net loss on property transactions of \$263,000 in 1996 and \$136,000 in 1995 due to the replacement of assets arising from the enhancement of facilities and entertainment packages of restaurants. The loss in 1995 was net of a gain of \$100,000 from the sale of certain assets which had been held for resale.

Other operating expenses decreased as a percentage of revenues to 19.1% in 1996 from 21.0% in 1995 primarily due to a decrease in insurance costs, the increase in comparable store sales and the fact that a significant portion of operating costs are fixed.

Net Income

The Company had net income of \$13.2 million in 1996 compared to \$63,000 in 1995 due to the changes in revenues and expenses discussed above. The Company's diluted earnings per share increased to \$.70 per share in 1996 compared to a loss of \$.02 per share in 1995.

Inflation

The Company's costs of operations, including but not limited to, labor, supplies, utilities, financing and rental costs, are significantly affected by inflationary factors. The Company pays most of its part-time employees rates that are related to federal and state mandated minimum wage requirements. Management anticipates that recent increases in federally mandated minimum

wage will result in increased labor costs for the Company. Any other increases in such costs would result in higher costs to the Company, which the Company expects would be partially offset by menu price increases and increased efficiencies in operations.

Page 12

Financial Condition, Liquidity and Capital Resources

Cash provided by operations increased to \$69.5 million in 1997 from \$48.4 million in 1996. Cash outflow from investing activities for 1997 was \$43.8 million. Cash outflow from financing activities in 1997 was \$21.8 million. The Company's primary requirements for cash relate to planned capital expenditures and debt service. The Company expects that it will satisfy such requirements from cash provided by operations and, if necessary, funds available under its line of credit.

In 1997, the Company announced that it plans to purchase shares of the Company's common stock at an aggregate purchase price of up to \$20 million. As of March 13, 1998, the Company has purchased 718,500 shares of its common stock in the open market for an aggregate purchase price of approximately \$15.2 million. The funds required for the stock purchase plan are provided primarily from the Company's current cash balances and operating cash flow.

The Company completed its repositioning program by remodeling 22 restaurants in 1997. In 1996, 1995 and 1994, 126, 87 and 10 restaurants were remodeled, respectively.

In 1997, the Company opened two new stores, acquired three stores from franchisees and acquired one store previously managed by the Company. During 1998, the Company plans to add an additional 18 to 22 stores including new stores and acquisitions of existing stores from franchisees or joint venture partners. The Company currently anticipates its cost of opening new stores to average approximately \$1.5 million per store which will vary depending upon many factors including the size of the store and whether the store is an in-line or free-standing building. In 1997, the Company expanded seven existing stores and plans to expand an additional 12 to 15 stores by the end of 1998. These expansions typically increase the customer area by an average of 1,000 to 4,000 square feet per store. The Company completed 107 Phase II upgrades in 1997 and plans to upgrade an additional 100 to 120 stores in 1998 at an average cost of \$150,000 to \$160,000 per store. A Phase II upgrade generally includes a new game package, enhanced prize and merchandise offerings and improved product presentation and service. The Company currently estimates that capital expenditures in 1998, including expenditures for remodeling existing stores, new store openings, existing store expansions and equipment investments, will be approximately \$55 million. The Company plans to finance these expenditures through cash flow from operations and, if necessary, borrowings under the Company's line of credit.

The Company's total credit facility of \$41.3 million at January 2, 1998 consists of \$26.3 million in term notes and a \$15 million line of credit which expires in June 1998. Term notes totaling \$18 million with annual interest of 10.02% mature in 2001. Term notes totaling \$8.3 million with quarterly principal payments of \$833,000 and annual interest equal to LIBOR plus 3.5% mature in 2000. Interest under the \$15 million line of credit is dependent on earnings and debt levels of the Company and ranges from prime plus 0% to .5% or, at the Company's option, LIBOR plus 2% to 3%. Currently, any borrowings under this line of credit would be at the

prime rate or LIBOR plus 2%. As of March 13, 1998, there were no borrowings under this line of credit. The Company is required to comply with certain financial ratio tests during the terms of the loan agreements. The Company plans to extend the maturity of its current line of credit or enter into a new agreement prior to the expiration date of the current agreement.

In 1998, the Company will purchase computer software which will be Year 2000 compliant. The Year 2000 issue is the result of computer programs being written using two digits rather than four to define the applicable year. Current systems may be unable to accurately process certain date-based information. The cost of the new software will be recorded as an asset and amortized over its estimated useful life. Other maintenance or modification costs will be expensed as incurred. Accordingly, the Company does not expect the amounts required to be expensed over the next two years to have a material effect on its financial position or results of operations or cash flows. The Company expects its Year 2000 date conversion project to be completed in 1999. The Company has initiated formal communication with significant vendors and suppliers to determine their efforts to remediate Year 2000 issues. There can be no guarantee that such issues will be resolved and could result in financial risk to the Company.

The Company has investment tax credit, job tax credit and alternative minimum tax credit carryforwards of approximately \$7 million. The investment tax credit and the job tax credit carryforwards expire in years 1998 through 2010. The Company currently projects future taxable income levels sufficient to realize its tax credit carryforwards prior to their expiration. However, there can be no assurance that the levels of taxable income will be sufficient to realize these benefits.

SHOWBIZ PIZZA TIME, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEARS ENDED JANUARY 2, 1998,
DECEMBER 27, 1996 AND DECEMBER 29, 1995

1. Summary of significant accounting policies:

Operations:

ShowBiz Pizza Time, Inc. (the "Company") operates and franchises family restaurant entertainment centers as Chuck E. Cheese's restaurants.

Fiscal year:

The Company's fiscal year is 52 or 53 weeks and ends on the Friday nearest December 31. References to 1997, 1996 and 1995 are for the fiscal years ended January 2, 1998, December 27, 1996 and December 29, 1995, respectively. Fiscal year 1997 was 53 weeks in length, while 1996 and 1995 were each 52 weeks in length.

Basis of consolidation:

The consolidated financial statements include the accounts of the Company and its subsidiaries. All significant intercompany accounts and transactions have been eliminated.

Cash and cash equivalents:

Cash and cash equivalents of the Company are composed of demand deposits with banks and short-term cash investments with remaining maturities of three months or less from the date of purchase by the Company.

Inventories:

Inventories of food, paper products and supplies are stated at the lower of cost or market on a first-in, first-out basis.

Property and equipment, depreciation and amortization:

Property and equipment are stated at cost. Depreciation and amortization are provided by charges to operations over the estimated useful lives of the assets, or the lease term if less, by the straight-line method. During the first quarter of 1997, the Company changed its estimate of the useful lives of certain fixed assets. As a result of this change, income before income taxes increased approximately \$2.2 million, net income increased approximately \$1.3 million and basic and diluted earnings per share increased approximately \$.07 in 1997.

Deferred charges and related amortization:

Deferred charges are amortized over various periods of up to 16 years. All amortization is provided by the straight-line method, which approximates the interest method.

Franchise fees and royalties:

The Company recognizes initial franchise fees upon fulfillment of all significant obligations to the franchisee. Royalties from franchisees are accrued as earned.

SHOWBIZ PIZZA TIME, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)
YEARS ENDED JANUARY 2, 1998,
DECEMBER 27, 1996 AND DECEMBER 29, 1995

1. Summary of significant accounting policies (continued):

Impairment of intangibles and long-lived assets:

Impairment losses are recognized if the future cash flows expected to be generated by intangibles and long-lived assets are less than the carrying value of the assets. The impairment loss is equal to the amount by which the carrying value of the assets exceeds the fair value of the assets.

Use of estimates and assumptions:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Earnings Per Share

The Financial Accounting Standards Board has issued Statement of Accounting Standards No. 128 ("SFAS 128") "Earnings Per Share" effective for years ending after December 15, 1997. SFAS 128 replaced the presentation of primary and fully diluted earnings per common share with basic and diluted earnings per common share (Note 11). The Company has restated the earnings per share data of prior years to reflect this adoption.

Accounting for stock-based compensation:

Statement of Financial Accounting Standards No. 123 ("SFAS 123") "Accounting for Stock-Based Compensation" became effective for years beginning after December 15, 1995. As permitted by SFAS 123, the Company will continue to apply the recognition and measurement provisions of Accounting Principles Board Opinion No. 25 ("APB 25"), "Accounting for Stock Issued to Employees" and has adopted only the disclosure requirements of SFAS 123 beginning in fiscal 1996. Accordingly, no compensation costs have been recognized in connection with the Company's stock option plans (Note 18).

2. Significant transactions:

In September 1996, the Company purchased from its largest franchisee 19 restaurants plus the 49% minority interest of one restaurant previously operated as a joint venture by the Company and seller. In addition to the cash purchase price of \$2.6 million, the Company reimbursed the seller for remodeling costs for three restaurants which had been recently remodeled. The Company assumed no liabilities under the asset purchase. Results of operations for the assets purchased are included in the Company's results from the date of this acquisition.

4. Notes receivable:

The Company's notes receivable at January 2, 1998 and December 27, 1996 arose principally as a result of the sale of restaurants, lines of credit established with the International Association of ShowBiz Pizza Time Restaurants, Inc., a related party (Note 17), and advances to franchisees, joint ventures and managed properties. All obligors under the notes receivable are principally engaged in the restaurant industry. The notes have various terms, but most are payable in monthly installments of principal and interest through 2001, with interest rates ranging from 7.5% to 12.0%. The notes are generally collateralized by the related property and equipment. Balances of notes receivable are net of an allowance for doubtful collection of \$59,000 and \$174,000 at January 2, 1998 and December 27, 1996, respectively.

As of January 2, 1998, the Company's credit facility totals \$41.3 million, which consists of \$26.3 million in term notes and the \$15 million line of credit. 9. Litigation:

From time to time the Company is involved in litigation, most of which is incidental to its business. 10. Redeemable preferred stock:

As of January 2, 1998, the Company had 49,570 shares of its redeemable preferred stock authorized and outstanding. The stock pays dividends at \$4.80 per year, subject to a minimum cash flow test. During the continuation of any event of default by the Company, the preferred shareholders shall be able to elect a majority of the directors of the Company.

11. Earnings per common share:

Earnings per common share ("EPS") are computed in accordance with SFAS 128. Under SFAS 128, basic and diluted EPS replaces primary and fully diluted EPS. Basic EPS is calculated by dividing earnings applicable to common shares by the weighted average number of common shares outstanding. Diluted EPS adjusts for the effect of potential common shares. Net income available per common share has been adjusted for the items indicated.

Earnings per common and common equivalent share (adjusted for a three-for-two stock split effected May 22, 1996) were computed as follows (thousands, except per share data):

At January 2, 1998, the Company has recorded a deferred tax asset of approximately \$13.2 million reflecting \$6.6 million in tax credit carryforwards and tax effected net taxable deductions of \$6.6 million. The temporary timing differences primarily relate to depreciation differences. Although realization is not assured, the Company believes it is more likely than not that the deferred tax asset will be realized.

As of January 2, 1998, the Company has investment tax credit

and jobs tax credit carryforwards totaling \$4,154,000 and \$548,000, respectively, and alternative minimum tax credits of \$1,893,000.

15. Fair value of financial instruments:

The Company has certain financial instruments consisting

primarily of cash, cash equivalents, notes receivable, notes payable and redeemable preferred stock. The carrying amount of cash and cash equivalents approximates fair value because of the short maturity of those instruments. The carrying amount of the Company's notes receivable and long-term debt approximates fair value based on the interest rates charged on instruments with similar terms and risks. The estimated fair value of the Company's redeemable preferred stock is \$3.0 million.

17. Related party transactions:

The Hallwood Group, Incorporated ("Hallwood") was the beneficial owner of approximately 2.6 million shares or 14.2% of the outstanding common stock of the Company prior to a secondary public offering in March 1997 in which Hallwood and certain of its affiliates sold all shares held. The directors of Hallwood had served as a majority of the directors of the Company, but resigned after the public offering. The Company did not receive any proceeds from the sale of shares by the selling stockholders. However, the Company paid \$305,000 in expenses for the offering.

The Company made payments to Hallwood of \$31,000 in 1997 and \$125,000 in 1996 and 1995 for consulting services. The consulting agreement terminated upon the closing of the public offering. In consideration for rent reductions resulting from Hallwood's negotiation of the Company's home office lease agreement in December 1990, the Company had assigned to Hallwood its sublease interest in the home office building with a fair

value of approximately \$120,000 per year.

The Company has advanced amounts to joint ventures in which the Company has a 50% interest or less. At January 2, 1998, approximately \$610,000 was outstanding under these notes. Principal and interest are payable in monthly installments, with interest at various rates from prime to 12%. The Company also has miscellaneous accounts receivable from joint ventures of approximately \$229,000 and \$669,000 at January 2, 1998 and December 27, 1996, respectively. In January 1998, the Company acquired the interest of its joint venture partner for cash plus forgiveness of all receivables.

The Company has granted three separate operating lines of credit to the International Association of ShowBiz Pizza Time Restaurants, Inc. (the "Association"). In December 1997, the lines were renewed to provide the Association with available borrowings of \$2.6 million at 10.5% interest and are due December 31, 1998. The Association develops entertainment attractions and produces system wide advertising. Five officers of the Association are also officers of the Company. At January 2, 1998, approximately \$2,105,000 was outstanding under these lines of credit. The Company also had miscellaneous accounts receivable from the Association of \$11,000 and \$6,000 at January 2, 1998 and December 27, 1996, respectively.

18. Employee benefit plans:

The Company has employee benefit plans that include: a) executive bonus compensation plans based on the performance of the Company; b) non-statutory stock option plans for its employees and non-employee directors; c) a stock grant plan and d) a retirement and savings plan.

In 1995, the Company increased the number of shares of the Company's common stock which may be issued under its employee stock option plan by 750,000 shares to an aggregate of 2,772,038 shares. Any shares granted under this plan must be granted before December 31, 1998. In 1997, the Company adopted a new employee stock option plan under which an additional 925,000 shares may be granted before July 31, 2007. The exercise price for options granted under both plans may not be less than the fair market value of the Company's common stock at date of grant. Options may not be exercised until the employee has been continuously employed at least one year after the date of grant. Options which expire or terminate may be re-granted under the plan.

18. Employee benefit plans (continued):

In 1995, the Company adopted a stock option plan for its non-employee directors. The number of shares of the Company's common stock that may be issued under this plan cannot exceed 150,000 shares and the exercise price for options granted may not be less than the fair market value of the Company's common

stock at the date of grant.

At January 2, 1998, there were 898,283 shares available for grant. Stock option transactions are summarized as follows for all plans:

	Number of Shares			Weighted Average Exercise Price Per Share		
	1997	1996	1995	1997	1996	1995

Options outstanding, end of year	1,586,298	1,010,511	848,942	13.70	8.58	9.08
	=====	=====	=====			

All stock options are granted at fair market value of the common stock at the grant date. The estimated fair value of options granted during 1997 was \$6.12 per share. The fair value of each stock option grant is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted average assumptions used for grants in 1997: risk free interest rate of 5.9%; no dividend yield; expected lives of four years; and expected volatility of 40%. Stock options expire five years from the grant date. Stock options vest over various periods ranging from one to four years. The number of stock option shares exercisable at January 2, 1998 was 565,289. These stock options have exercise prices ranging from \$5.29 to \$24.50 per share and have a weighted average exercise price of \$ 7.96 per share. In January 1998, the Company granted 328,744 additional options at an exercise price of \$21.81 per share.

The number of shares of the Company's common stock which may be awarded to senior executives of the Company under the Stock Grant Plan is 1,718,637 shares. In 1997, 128,500 grants were awarded in connection with an employment agreement effective January 1998. No grants were awarded in 1996 or 1995. Compensation expense recognized by the Company pursuant to this plan was \$1,821,000 per year in 1997, 1996 and 1995. All shares vest over periods ranging from 3 years to 6 years and are subject to forfeiture upon termination of the participant's employment by the Company. The shares are nontransferable during the vesting periods.

As a result of shares awarded to the Company's Chairman of the Board and Chief Executive Officer, the Company recognized deferred compensation of \$12.0 million in 1993 and \$2.3 million in 1997. In 1995, the Company's Chairman of the Board and Chief Executive Officer forfeited 90,000 shares of unvested common stock of the Company previously awarded to him under the Company's stock grant plan in 1993. As a result of this forfeiture, deferred compensation and capital in excess of par value were reduced by approximately \$1.7 million. The deferred compensation is amortized over the compensated periods of

service.

18. Employee benefit plans (continued):

The Company applies the provisions of APB Opinion 25 and related Interpretations in accounting for its employee benefit plans. Accordingly, no compensation cost has been recognized for its stock option plans. Had compensation cost for the Company's stock -based compensation plans been determined based on the fair value at the grant date for awards under those plans consistent with the method prescribed by SFAS 123, the Company's proforma net income would have been \$23.1 million and \$12.8 million in 1997 and 1996, respectively, and a net loss of \$154,000 in 1995. Proforma earnings per share assuming dilution would have been \$1.23 and \$.67 per share in 1997 and 1996, respectively, and a loss of \$.03 per share in 1995.

The Company has adopted the ShowBiz 401(k) Retirement and Savings Plan, to which it may at its discretion make an annual contribution out of its current or accumulated earnings. Contributions by the Company may be made in the form of its common stock or in cash. In 1997, the Company made contributions of approximately \$59,000 and \$37,000 in common stock for the 1996 and 1995 plan years, respectively. The Company plans to contribute \$76,000 in common stock for the 1997 plan year.

GUARANTEE AGREEMENT dated as of -----, ---- made by -----, a ----- corporation (the "Guarantor"), in favor of Bank One, Texas, N.A. (the "Obligee").

WHEREAS, ShowBiz Pizza Time, Inc., a Kansas corporation (the "Company"), has entered into the Loan Agreement, as amended, dated as of June 27, 1995 (the "Loan Agreement" and terms defined therein and not otherwise defined herein are being used herein as so defined) with Bank One, Texas, N.A. ("Bank"), pursuant to which the Company may borrow funds as evidenced by that Restated Revolving Credit Note dated August 1, 1996 in the original amount of \$15,000,000 ("Note");

WHEREAS, the Company has requested the consent of Bank to enter into certain transactions with the Guarantor that are prohibited by the Loan Agreement; and

WHEREAS, it is a condition to obtaining the consent of Bank that the Guarantor execute and deliver this Guarantee Agreement;

NOW, THEREFORE, in consideration of the premises the Guarantor hereby agrees as follows:

SECTION 1. Guarantee. The Guarantor unconditionally and irrevocably guarantees, as primary obligor and not merely as surety,

A. the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all obligations of the Company arising under the Notes and the Loan Agreement, including all extensions, modifications, substitutions, amendments and renewals thereof, whether for principal, interest (including without limitation interest on any overdue principal, premium and interest at the rate specified in the Note and interest accruing or becoming owing both prior to and subsequent to the commencement of any proceeding against or with respect to the Company under any chapter of the Bankruptcy Code of 1978, 11 U.S.C. §101 et seq.), fees, expenses, indemnification or otherwise, and

B. the due and punctual performance and observance by the Company of all covenants, agreements and conditions on its part to be performed and observed under the Note and the Loan Agreement; (all such obligations are called the "Guaranteed Obligations"); provided that the aggregate liability of the Guarantor hereunder in respect of the Guaranteed Obligations shall not exceed at any time the lesser of (1) the amount of the Guaranteed Obligations and (2) maximum amount for which the Guarantor is liable under this Guarantee Agreement without such liability being deemed a fraudulent transfer under applicable Debtor Relief Laws (as hereinafter defined), as determined by a court of competent jurisdiction. As used herein, the term "Debtor Relief Laws" means any applicable liquidation, conservatorship, bankruptcy, moratorium, rearrangement, insolvency, reorganization or similar debtor relief laws affecting the rights of creditors generally from time to time in effect.

The Guarantor also agrees to pay, in addition to the amount stated above, any and all reasonable expenses (including reasonable counsel fees and expenses) incurred by any Obligees in enforcing any rights under this Guarantee Agreement or in connection with any amendment of this Guarantee Agreement.

Without limiting the generality of the foregoing, this Guarantee Agreement guarantees, to the extent provided herein, the payment of all amounts which constitute part of the Guaranteed Obligations and would be owed by any other Person to any Obligees but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such Person.

SECTION 2. Guarantee Absolute. The obligations of the Guarantor under Section 1 of this Guarantee Agreement constitute a present and continuing guaranty of payment and not of collectability and the Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Note and the Loan Agreement, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Obligees with respect thereto. The obligations of the Guarantor under this Guarantee Agreement are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guarantee Agreement, irrespective of whether any action is brought against the Company or any other Person liable for the Guaranteed Obligations or whether the Company

or any other such Person is joined in any such action or actions. The liability of the Guarantor under this Guarantee Agreement shall be primary, absolute, irrevocable, and unconditional irrespective of:

A. any lack of validity or enforceability of any Guaranteed Obligation, any Note, the Loan Agreement or any agreement or instrument relating thereto;

B. any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Note, the Loan Agreement or this Guarantee Agreement;

C. any taking, exchange, release or non-perfection of any collateral, or any taking, release or amendment or waiver of or consent to departure by the Guarantor or other Person liable, or any other guarantee, for all or any of the Guaranteed Obligations;

D. any manner of application of collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any collateral or any other assets of the Company or any other Subsidiary;

E. any change, restructuring or termination of the corporate structure or existence of the Company or any other Subsidiary; or

F. any other circumstance (including without limitation any statute of limitations) that might otherwise constitute a defense, offset or counterclaim available to, or a discharge of, the Company or the Guarantor.

This Guarantee Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Obligee, or any other Person upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment had not been made.

SECTION 3. Waivers. The Guarantor hereby irrevocably waives, to the extent permitted by applicable law:

A. promptness, diligence, presentment, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Guarantee Agreement;

B. any requirement that any Obligee or any other Person protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against the Company or any other Person or any collateral;

C. any defense, offset or counterclaim arising by reason of any claim or defense based upon any action by any Obligee;

D. any duty on the part of any Obligee to disclose to the Guarantor any matter, fact or thing relating to the business, operation or condition of any Person and its assets now known or hereafter known by such Obligee; and

E. any rights by which it might be entitled to require suit on an accrued right of action in respect of any of the Guaranteed Obligations or require suit against the Company or the Guarantor or any other Person.

SECTION 4. Waiver of Subrogation and Contribution. The Guarantor shall not assert, enforce, or otherwise exercise (A) any right of subrogation to any of the rights, remedies, powers, privileges or liens of any Obligee or any other beneficiary against

the Company or any other obligor on the Guaranteed Obligations or any collateral or other security, or (B) any right of recourse, reimbursement, contribution, indemnification, or similar right against the Company, and the Guarantor hereby waives any and all of the foregoing rights, remedies, powers, privileges and the benefit of, and any right to participate in, any collateral or other security given tny or ablige or any other beneficiary to secure payment of the Guaranteed Obligations, until such time as the Guaranteed Obligations have been paid in full.

SECTION 5. Representations and Warranties. The Guarantor hereby represents and warrants as follows:

A. The Guarantor is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation. The execution, delivery and performance of this Guarantee Agreement have been duly authorized by all necessary action on the part of the Guarantor.

B. The execution, delivery and performance by the Guarantor of this Guarantee Agreement will not (i) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Guarantor or any Subsidiary of the Guarantor under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, or any other material agreement or instrument to which the Guarantor or any Subsidiary of the Guarantor is bound or by which the Guarantor or any Subsidiary of the Guarantor or any of their respective properties may be bound or affected, (ii) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Guarantor or any Subsidiary of the Guarantor or (iii) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Guarantor or any Subsidiary of the Guarantor.

C. The Guarantor and the Company are members of the same consolidated group of companies and are engaged in related businesses and the Guarantor will derive substantial direct and indirect benefit from the execution and delivery of this Guarantee Agreement.

SECTION 6. Amendments, Etc. No amendment or waiver of any provision of this Guarantee Agreement and no consent to any departure by the Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Obligee, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no amendment, waiver or consent shall, unless in writing and signed by Obligee, (i) limit the liability of or release the Guarantor hereunder, (ii) postpone any date fixed for, or change the amount of, any payment hereunder.

SECTION 7. Addresses for Notices. All notices and other communications provided for hereunder shall be in writing and (A) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (B) by registered or certified mail with return receipt requested (postage prepaid), or (C) by a recognized overnight delivery service (with charges prepaid). Such notice if sent to the Guarantor shall be addressed to it at the address of the Guarantor provided below its name on the signature page of this Guarantee Agreement or at such other address as the Guarantor may hereafter designate by notice to each Obligee, or if sent to Obligee, shall be addressed to it as set forth in the Loan Agreement. Notices under this Section 7 will be deemed given only when actually received.

SECTION 8. No Waiver; Remedies. No failure on the part of any Obligee to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9. Continuing Guarantee. This Guarantee Agreement is a continuing guarantee of payment and performance and shall (A) remain in full force and effect until payment in full of the Guaranteed Obligations and all other amounts payable under this Guarantee Agreement, (B) be binding upon the Guarantor, its successors and assigns and (C) inure to the benefit of and be enforceable by the Obligee and their successors, transferees and assigns.

SECTION 10. Jurisdiction and Process; Waiver of Jury Trial. The Guarantor irrevocably submits to the non-exclusive in personam jurisdiction of any Texas State or federal court sitting in Dallas County, Texas, over any suit, action or proceeding arising out of or relating to this Guarantee Agreement. To the fullest extent permitted by applicable law, the Guarantor irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the in personam jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

The Guarantor consents to process being served in any suit, action or proceeding of the nature referred to in this Section by mailing a copy thereof by registered or certified mail, postage prepaid, return receipt requested, to the Guarantor at its address specified in Section 7 or at such other address of which Obligee shall then have been notified pursuant to said Section. The Guarantor agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to the Guarantor. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any recognized courier or overnight delivery service.

Nothing in this Section 10 shall affect the right of Obligee to serve process in any manner permitted by law, or limit any right Obligee may have to bring proceedings against the Guarantor in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

THE GUARANTOR WAIVES TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS GUARANTEE AGREEMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH.

SECTION 11. Governing Law. This Guarantee Agreement shall be construed and enforced in accordance with, and the rights of the Guarantor and the Obligees shall be governed by, the laws of the State of Texas excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.

Unless the context otherwise requires, capitalized terms used herein without definition have the respective meanings ascribed thereto in the Note Purchase Agreements.

The Company proposes to transfer certain tangible assets at a value not to exceed \$20,000,000 and certain intellectual property owned by the Company to direct and indirect wholly-owned subsidiaries of the Company (such transfers referred to herein collectively as the "Asset Sale Transaction").

In connection therewith, the Company hereby requests consents

SECTION 4. Representations and Warranties of the Company. The Company represents and warrants to you as follows:

Section 4.1 Organization, Authorization, Etc. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Kansas, and has all requisite power and authority to execute, deliver and perform its obligations under this Supplemental Agreement.

The execution, delivery and performance of this Supplemental Agreement have been duly authorized by all necessary action on the part of the Company. This Supplemental Agreement is a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws relating to or affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 4.2 Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Supplemental Agreement do not and will not (A) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (B) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (C) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

Section 4.3 Governmental Authorizations, Etc. No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required for the validity of the execution, delivery or performance by the performance by the Company of this Supplemental Agreement.

contained in any instrument evidencing any Indebtedness and there is no pending request by the Company (except pursuant to this Supplemental Agreement or the Loan Agreement dated as of June 27, 1995 between the Company and Bank One, Texas, N.A. (the "Bank One Agreement") with respect to the Asset Sale Transaction) or any Subsidiary for any amendment or waiver in respect of any contemplated or possible default with respect to such Indebtedness and no event has occurred and is continuing which, with notice or lapse of time or both, would become such a default.

Section 4.5 No Undisclosed Fees. The Company has not, directly or indirectly, paid or caused to be paid any consideration (as supplemental or additional interest, a fee or otherwise) to any holder of Notes in order to induce such holder to enter into this Supplemental Agreement or take any other action in connection with the transactions contemplated hereby, nor has the Company agreed to make any such payment.

Franchisee also agrees:

(a) If registration of the copyright of any of the materials mentioned above is required by law or deemed advisable by Franchisor, Franchisee agrees to cooperate with and assist Franchisor in obtaining the registration in the name of Franchisor and will not register or attempt to register or assist or be involved in any way with the registration (either directly or indirectly) of such materials;

(b) Franchisee agrees to use proper copyright and other proprietary notices in connection with all copyright materials and conform with Franchisor's standards for protecting its rights; and

(c) Franchisee agrees to promptly cause the execution of any assignments, waivers of rights, or other documents, and take any further actions needed or advisable to ensure that Franchisor has such copyright and other rights described in this Section.

11. TRANSFER OF INTEREST

11.1 Transfer by Franchisor Franchisor shall have the right to transfer or assign this Agreement, its rights to the Proprietary Marks, and all or any part of its rights or obligations herein to any person or legal entity without the consent of Franchisee or Franchisee's Principals. Upon such transfer by Franchisor, any transferee or assignee of Franchisor shall become solely responsible for all obligations of Franchisor under this Agreement from the date of transfer or assignment.

11.2. Transfer by Franchisee Franchisee and Franchisee's Principals understand and acknowledge that the rights and duties set forth in this Agreement are personal to Franchisee and are granted, in part, in reliance upon the skill, aptitude, business and financial capacity of Franchisee and Franchisee's Principals and their intention of complying with its terms and conditions. Therefore, if the Franchisee and/or Franchisee's Principals desire

to Transfer any interest in this Agreement, they must first obtain the prior written approval of Franchisor.

11.2.1 General Requisites Prior to authorizing a Transfer by Franchisee of any interest in this Agreement, Franchisor may require satisfaction of the following:

(a) Franchisee shall be in compliance with all of the terms and conditions of this Agreement;

(b) Franchisee and/or any Franchisee's Principal shall remain liable for the performance of its obligations contained in this Agreement through the date of transfer and shall execute all instruments reasonably requested by Franchisee to evidence such liability;

(c) The transferee shall satisfy, in Franchisor's judgment, Franchisor's then existing criteria for a franchisee including, without limitation: (i) education; (ii) business skill, experience and aptitude; (iii) character and reputation; and (iv) financial resources; and

(d) The transferee and all owners of any record or beneficial interest in the capital stock (or other interest) of transferee shall execute all instruments (including a new franchise agreement and guarantee) reasonably requested by Franchisor to evidence acceptance and assumption of all of the terms and conditions of this Agreement.

11.2.2 Transfer involving Controlling Interest If the Franchisee does not have a Controlling Interest (as reasonably determined by Franchisor) in the transferee, in addition to the requisite in Section 11.2.1, Franchisor may also require:

(a) Franchisee pay a transfer fee equal to one-half (1/2) of the then current initial franchise fee for Franchise Agreements;

(b) At the transferee's expense, the transferee and any of the transferee's employees responsible for the operation of the Franchised Restaurant have satisfactorily completed such training as Franchisor may then require; and

(c) The transferee has complied with Franchisor's then-current application requirements for a new franchise.

11.3 Transfer of Interest in Franchisee In the event that Franchisee and/or any of Franchisee's Principals desire to accept a bona fide offer from a third party to purchase an Equity Interest in Franchisee, Franchisee and Franchisee's Principals shall notify Franchisor in writing of each such offer, and Franchisor shall have the right and option, exercisable within twenty-one (21) days after receipt of such written notice, to send written notice to the seller that Franchisor or its nominee intends to purchase seller's interest on the same terms and conditions offered by the third party.

In the event the consideration, terms, and/or conditions offered by the third party are such that Franchisor or its nominee may not reasonably be able to furnish the same consideration, terms, and/or conditions, then Franchisor or its nominee, as appropriate, may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree, within a reasonable time, on the reasonable equivalent in cash of the consideration, terms, and/or conditions offered by the third party, an independent appraiser shall be designated by Franchisor, and such appraiser's determination shall be binding.

11.4 Transfer upon Death If the interest of the Franchisee or any

of Franchisee's Principals is transferred upon death or permanent disability of Franchisee or Franchisee's Principal to the spouse, parents, siblings, nieces, nephews, descendants or spouse's descendants of such Franchisee or Franchisee's Principal, the transferee shall be required to execute a copy of this Agreement, the Guaranty and any ancillary documents required by Franchisor in its sole discretion. All other transfers upon death will be subject to the same conditions as any other inter-vivos transfer.

11.5 Public Offerings Equity Interests in Franchisee and Franchisee's Principals may be offered, only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. Such approval will be subject to the following:

(a) All registration materials required for such offering by federal or state law shall be submitted to Franchisor for review prior to their being filed with any government agency;

(b) No offering material (for either a public or private offering) shall express or imply (by use of the Proprietary Marks or otherwise) that Franchisor is participating in an underwriting, issuance or public offering of Franchisee, Franchisee's Principals, or Franchisor securities. Franchisor may, at its option, require such offering materials to contain a written statement prescribed by Franchisor concerning the limitations described in the preceding sentence;

(c) Franchisee, Franchisee's Principals and the other participants in the registration and offering must fully indemnify Franchisor in connection with the offering;

(d) For each proposed public offering, other than offerings which are exempt from registration, Franchisee shall pay to Franchisor a nonrefundable fee of Ten Thousand Dollars (\$10,000) or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including, without limitation, legal and accounting fees; and

(e) Franchisee and Franchisee's Principals shall give Franchisor at least sixty (60) days' prior written notice prior to the effective date of any offering or other transaction covered by this Section 11.5.

12. INSURANCE AND INDEMNITY

12.1 Insurance. Franchisee shall obtain at least thirty (30) days prior to commencement of Restaurant construction of the Franchised Restaurant, and maintain throughout the term, such property, casualty and general liability insurance as may be (i) required by law; or (ii) reasonably to protect Franchisee from the risks inherent in construction and operation of the Franchised Restaurant. Franchisor shall have the right to reasonably consent to the types and amounts of coverage and the issuing companies. Such insurance shall:

(a) name the Indemnitees as additional insured parties;

(b) contain no provision which limits or reduces coverage in the event of a claim by any one (1) or more of the Indemnitees;

(c) provide that policy limits shall not be reduced, coverage restricted, canceled, allowed to lapse or otherwise altered or such policy(ies) amended without Franchisor's consent; and

(d) be obtained from reputable insurance companies

authorized to do business in all jurisdictions in which the Restaurant is located.

12.2 Insurance Prior to Commencement. Prior to the commencement of construction and for the entire term of this Agreement, Franchisee shall obtain and maintain insurance protecting Franchisee and the Indemnitees against any demand or claim arising or occurring in connection with the construction and operation of the Franchised Restaurant. Such policies shall: (i) be of the types and for the minimum amounts of coverage indicated in the Operational Policies; (ii) contain a waiver of subrogation in favor of Franchisor; and (iii) shall name the Indemnitees as additional insureds. Franchisee also acknowledges and agrees to:

(a) furnish Franchisor with evidence that Franchisee has obtained the required insurance at least fifteen (15) days prior to the commencement of construction, and each year afterwards, and at any other time a carrier or coverage is changed;

(b) increase the insurance coverage amounts in the amounts indicated by Franchisor upon thirty (30) days prior written notice from Franchisor; and

(c) re-imburse Franchisor for any insurance policies obtained by Franchisor on behalf of Franchisee if Franchisee fails to obtain the insurance required by this Section.

12.3 Indemnities

12.2.1 Indemnification Franchisee and Franchisee's Principals agree to and hereby, jointly and severally, indemnify, defend (by counsel chosen by Franchisor) and agree to hold harmless each Indemnitee from all Losses and Expenses alleged, incurred or assessed in connection with:

- (a) Franchisee's or any Franchisee's Principal's alleged infringement or alleged violation of any trademark or other proprietary name, mark, or right allegedly owned or controlled by a third party;
- (b) The violation, breach or asserted violation or breach, by Franchisee or any of Franchisee's Principals, of any federal, state or local law, regulation, ruling, standard or directive or any industry standard;
- (c) Libel, slander or any other form of defamation of Franchisor, the System or any franchisee or franchisee operating under the System, by Franchisee or by any of Franchisee's Principals;
- (d) The violation or breach by Franchisee or any of Franchisee's Principals, of any warranty, representation, agreement or obligation in this Agreement or in any other agreement, between Franchisee, its subsidiaries and affiliates and Franchisor, its subsidiaries and affiliates or the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees thereof; and
- (e) Acts, errors, or omissions of Franchisee, any of Franchisee's subsidiaries or affiliates or any of Franchisee's Principals and the officers, directors, shareholders, partners, agents, representatives, independent contractors and employees of Franchisee and its subsidiaries and affiliates in connection with the development

activities contemplated under this Agreement or the operation of the Franchised Restaurant.

12.2.2. Notice and Counsel Franchisee and each of Franchisee's Principals agree to give Franchisor immediate notice of any Action. Franchisor may engage, at its expense, separate counsel to represent the Indemnitees in such Action and/or elect to assume (but under no circumstance is obligated to undertake) the defense and/or reasonable settlement of any Action. Franchisor's election to settle shall not diminish Franchisee's and each of Franchisee's Principal's obligation to defend, indemnify and hold the Indemnitees harmless from all Losses and Expenses.

12.2.3 Settlement and Remedial Actions In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, Franchisor may, at any time and without notice, as it, in its sole judgment deems appropriate, consent or agree to settlements or take such other remedial or corrective actions it deems expedient with respect to any Action if, in Franchisor's sole judgment, there are reasonable grounds to believe that:

(a) any of the acts or circumstances enumerated in Section 12.2.1 ((a) through (d)) above have occurred;

(b) any act, error, or omission as described in Section 12.2.1 (e) may result directly or indirectly in damage, injury, or harm to any person or any property.

12.2.4 Expenses All Losses and Expenses incurred under this Section shall be chargeable to and paid by Franchisee or any of Franchisee's Principals pursuant to Franchisee's obligations of indemnity under this paragraph regardless of any actions, activity or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity, or defense.

12.2.5 Third Party Recovery Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Franchisee or any of Franchisee's Principals. Franchisee and each of Franchisee's Principals agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from Franchisee or any of Franchisee's Principals by the Indemnitees.

12.2.6 Survival Franchisee and Franchisee's Principals expressly agree that the terms of this Section 8 shall survive the termination, expiration or transfer of this Agreement or any interest herein.

13. TERM, RENEWAL AND TERMINATION

13.1 Term Unless terminated as provided for herein, the term of this franchise shall be fifteen (15) years starting from the date of opening of the Franchised Restaurant which date shall be specified in writing by Franchisor.

13.2 Renewal Franchisee may, at Franchisee's option, renew this Agreement for one (1) additional period of ten (10) years, provided that at the end of the initial term:

(a) Franchisee has given Franchisor written notice of election to renew not less than nine (9) months nor more than twelve (12) months prior to the end of the initial term;

(b) Franchisee shall have completed to Franchisor's satisfaction all maintenance, refurbishing, renovating and

remodeling of the premises and equipment as Franchisor shall require in order to meet Franchisor's then-current standards for Franchised Restaurants;

(c) Franchisee is in compliance with all of the terms of this Agreement and any other agreement between Franchisee and Franchisor;

(d). Franchisee shall have executed upon renewal hereunder Franchisor's then current form of Franchise Agreement, which agreement may have different terms from this Agreement including, without limitation, a royalty fee, contributions and System assessments; provided, however, Franchisee shall be required to pay, in lieu of the then-current initial franchise fee, a renewal fee which shall be fifty percent (50%) of the then-current initial franchise fee as then charged set by Franchisor;

(e) Franchisee and Franchisee's Principals shall execute a general release, in a form prescribed by Franchisor, of any and all claims against Indemnitees.

(b) causes a threat or danger to the public health or safety in the construction or operation of the Franchised Restaurant;

(c) or any of Franchisee's Principals is convicted of a felony or any other crime or offense that is reasonably likely, in the sole opinion of Franchisor, to adversely affect the System, the Proprietary Marks, the Animated Entertainment, the goodwill associated therewith, or Franchisor's interest therein;

(d) copies or duplicates any Animated Entertainment programs or materials or purports to transfer ownership or possession of any Animated Entertainment components or materials without the prior written consent of Franchisor;

(e) violates the requirements for Transfers contained in Section 11;

(j) fails to cure any default of which it has been given prior notices on two occasions.

13.3.2 Termination with Ten Day Notice Franchisee shall have ten (10) days after its receipt from Franchisor of a written notice to remedy Franchisee's failure, refusal, or neglect to pay promptly any monies due under this Agreement or to submit the financial information or other reports required by Franchisor under this Agreement. If such default is not cured within that time,

this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the ten (10) day period.

13.3.3 Termination with Thirty Day Notice Except as otherwise provided in this Section, Franchisee shall have thirty (30) days after its receipt from Franchisor of a written notice within which to remedy any default of the terms of this Agreement and the Attachments hereunder and provide evidence thereof to Franchisor. If any such default is not cured within that time, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the thirty (30) day period.

13.4 Obligations upon Termination or Expiration Upon termination or expiration of this Agreement for any reason, all rights of Franchisee under this Agreement will immediately terminate and Franchisee will have the following duties which will survive termination of this Agreement:

(a) Franchisee will promptly pay to Franchisor and its affiliates all sums due under this Agreement and any other agreements, including, without limitation, all damages, costs, expenses, and reasonable attorneys' fees incurred by Franchisor by reason of default on the part of Franchisee, whether or not the expenses occur before or after the termination or expiration of this Agreement;

(b) Franchisee will immediately cease to operate the Franchised Restaurant and use of the Proprietary Marks, the Animated Entertainment, the System, and the Operational Policies in any manner including any advertising, equipment, format, confidential methods, procedures and techniques associated with the Franchised Restaurant, the Proprietary Marks, the Animated Entertainment, the System, and the Operational Policies;

(c) Franchisee shall immediately return all manuals, including the Operational Policies, records, files, instructions, correspondence, all materials related to operating the Franchised Restaurant, and shall retain no copy or record of any of the foregoing, excepting only Franchisee's copy of this Agreement and of any correspondence between the parties, and any other documents which Franchisee and Franchisee's Principals reasonably need for compliance with any provision of law;

(d) Franchisee will immediately cease to use in any manner whatsoever, any Proprietary Marks and distinctive trade dress, forms, slogans, signs, symbols, devices, or animated character costumes associated with the System;

(e) Franchisee shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains any of the Proprietary Marks, and Franchisee and Franchisee's Principals shall furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement; and

(f) Franchisee and Franchisee's Principals shall make such modifications or alterations to the Franchised Restaurant premises and contents operated hereunder immediately upon termination or expiration of this Agreement as may be necessary to prevent the operation of any business thereon by Franchisee, Franchisee's Principals, or others after expiration or termination.

13.5 Option to Purchase Franchisor shall have the right, but not the obligation, to purchase at fair market value (as determined below) any or all of Franchisee's interest in the Franchised Restaurant, including but not limited to (i) the Animated

Entertainment components and software, (ii) rides, amusement games and other attractions, (iii) the real estate component of the Franchised Restaurant, (iv) furnishings, fixtures and equipment, and (v) signs, advertising materials and supplies.

Franchisor shall exercise its rights under this Section by giving written notice thereof to Franchisee within thirty (30) days after termination or expiration of this Agreement. Within thirty (30) days after such notice is given by Franchisor, Franchisee and Franchisor shall each, at its own cost, appoint an appraiser who has at least five (5) years of relevant commercial appraisal experience to make an appraisal of the fair market value of Franchisee's interest in each component of the Franchised Restaurant as indicated in Franchisor's initial notice and cause such appraiser to deliver a copy of his appraisal to the other party. The "fair market value" shall be the average of the two appraisals and Franchisor will notify Franchisee if it plans on exercising such right.

14. REMEDIES AND LIQUIDATED DAMAGES

14.1 Remedies Upon the occurrence of an uncured breach, Franchisor may exercise one or more of the following remedies or such other remedies as may be available at law or in equity:

14.1.2 Specific Enforcement Franchisor may, in addition to pursuing any other remedies, specifically enforce Franchisee's and Franchisee's Principal's obligations, covenants and agreements or obtain injunctive or other equitable relief in connection with the violation or anticipated violation of such obligations, covenants and agreements without the necessity of showing (i) actual or threatened harm; (ii) the inadequacy of damages as a remedy; or (iii) likelihood of success on the merits, and without being required to furnish bond or other security. Nothing in this Agreement shall impair Franchisor's right to obtain equitable relief.

14.2 Liquidated Damages Franchisee acknowledges that its uncured breach of any of the terms of this Agreement will materially and adversely affect Franchisor and that the quantum of such damages may not be easily ascertainable. Accordingly, Franchisee agrees that, as liquidated damages for the non-performance of its obligations under this Agreement, in addition to any other remedy available to Franchisor, Franchisee shall pay to Franchisor US\$---
- ----- initially and US\$----- per month per violation for so long as each such violation remains uncured; provided, however, that this provision will only be operative upon material breaches of this Agreement which are in Franchisee's or Franchisee's Principals' control.

FRANCHISOR EXPRESSLY DISCLAIMS THE MAKING OF, AND FRANCHISEE AND EACH OF FRANCHISEE'S PRINCIPALS ACKNOWLEDGE THAT THEY HAVE NOT RECEIVED OR RELIED UPON, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE POTENTIAL PERFORMANCE OR VIABILITY OF THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT.

16. DISPUTE RESOLUTION

16.1 Mediation Except for infringement of Proprietary Marks, Animated Entertainment or other violation of Franchisor's intellectual property rights, regarding which Franchisor may apply for emergency, special, or injunctive relief, both Franchisor and Franchisee will attempt in good faith to settle any dispute related to this Agreement. If Franchisor and Franchisee are unable to do so, they hereby agree to submit to non-binding mediation prior to bringing such claim, controversy or dispute in a court. The mediation shall be conducted through either an individual mediator or a mediator appointed by a mediation services organization or body, experienced in the mediation of food service business disputes, as agreed upon by Franchisor and Franchisee. The costs and expenses of mediation, including compensation of the mediator, shall be borne by the parties equally. 7. TRANSFER OF INTEREST

7.1 Transfer by Franchisor Franchisor shall have the right to transfer or assign this Agreement, its rights to the Proprietary Marks, and all or any part of its rights or obligations herein to any person or legal entity without the consent of Developer or Developer's Principals. 7.2. Transfer by Franchisee Developer and Developer's Principals understand and acknowledge that the rights and duties set forth in this Development Agreement are personal to Developer and are granted, in part, in reliance upon the skill, aptitude, business and financial capacity of Developer and Developer's Principals and their intention of complying with its terms and conditions. Therefore, if the Developer and/or Developer's Principals desire to Transfer any interest in this Agreement, they must first obtain the prior written approval of Franchisor.

Prior to authorizing such Transfer, Franchisor may require, among other things, satisfaction of the following:

(a) Developer shall be in compliance with all of the terms and conditions of this Agreement;

Restaurant.

8.2.2. Notice and Counsel Developer and each of Developer's Principals agree to give Franchisor immediate notice of any Action. Franchisor may engage, at its expense, separate counsel to represent the Indemnitees in such Action and/or elect to assume (but under no circumstance is obligated to undertake) the defense and/or reasonable settlement of any Action. Franchisor's election to settle shall not diminish Developer's and each of Developer's Principal's obligation to defend, indemnify and hold the Indemnitees harmless from all Losses and Expenses.

8.2.3 Settlement and Remedial Actions In order to protect persons or property, or its reputation or goodwill, or the reputation or goodwill of others, Franchisor may, at any time and without notice, as it, in its sole judgment deems appropriate, consent or agree to settlements or take such other remedial or corrective actions it deems expedient with respect to any Action if, in Franchisor's sole judgment, there are reasonable grounds to believe that:

(a) any of the acts or circumstances enumerated in Section 8.2.1 ((a) through (d)) above have occurred;

(b) any act, error, or omission as described in Section 8.2.1 (e) may result directly or indirectly in damage, injury, or harm to any person or any property.

8.2.4 Expenses All Losses and Expenses incurred under this Section shall be chargeable to and paid by Developer or any of Developer's Principals pursuant to Developer's obligations of indemnity under this paragraph regardless of any actions, activity or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity, or defense.

8.2.5 Third Party Recovery Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Developer or any of Developer's Principals. Developer and each of Developer's Principals agree that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable from Developer or any of Developer's Principals by the Indemnitees.

8.2.6 Survival Developer and Developer's Principals expressly agree that the terms of this Section 8 shall survive the termination, expiration or transfer of this Agreement or any interest herein.

9. TERM AND TERMINATION

9.1 Term Unless terminated as provided for herein, the term of this Agreement and all rights granted hereunder shall expire on the date on which Developer successfully and in a timely manner completes the Development Schedule.

9.3 Termination with Notice Franchisor or Developer may terminate this Agreement upon the breach or non-compliance by the other of any material obligation contained in this Agreement. Upon such breach or non-compliance, the non-breaching party will provide the breaching party with written notice of such breach. The breaching party shall have a period of thirty (30) working days from the date of the receipt of the notice to remedy the breach or non-compliance. If the breach or default is not remedied within the aforementioned period, this Agreement shall be terminated without the need for further notice or court order.

10. REMEDIES AND LIQUIDATED DAMAGES

10.1 Remedies Upon the occurrence of an uncured breach and subsequent termination pursuant to section 9, Franchisor may exercise one or more of the following remedies or such other remedies as may be available at law or in equity (each of the following remedies are nonexclusive and noncumulative):

10.1.1 Reduction of Exclusivity Franchisor, at its sole discretion, can completely terminate or, alternatively, reduce the number of Franchised Restaurants that Developer was given the right to develop and establish pursuant to the Development Schedule or terminate or reduce the territorial exclusivity granted Developer pursuant to Section 2 in the understanding that this Agreement will remain in effect and will be considered to be amended accordingly.

10.1.2 Cure Franchisor, at Franchisor's discretion and without obligation, may cure such breach at Developer's expense and, in connection therewith, Developer (i) hereby grants to Franchisor all rights and powers necessary or appropriate to accomplish such cure; (ii) shall indemnify and hold the Indemnites harmless from and against all costs, expenses (including reasonable fees of counsel and other engaged professionals), liabilities, claims, demands and causes of action (including actions of third parties) incurred by or alleged against any Indemnitee in connection with Franchisor's cure; and (iii) shall reimburse or pay such costs or damages within ten (10) days of receipt of Franchisor's invoice therefor;

10.1.3 Specific Enforcement Franchisor may, in addition to pursuing any other remedies, specifically enforce Developer's and Developer's Principal's obligations, covenants and agreements or obtain injunctive or other equitable relief in connection with the violation or anticipated violation of such obligations, covenants and agreements without the necessity of showing (i) actual or

threatened harm; (ii) the inadequacy of damages as a remedy; or (iii) likelihood of success on the merits, and without being required to furnish bond or other security. Nothing in this Agreement shall impair Franchisor's right to obtain equitable relief.

10.2 Liquidated Damages Developer acknowledges that its uncured breach of any of the terms of this Agreement will materially and adversely affect Franchisor and that the quantum of such damages may not be easily ascertainable. Accordingly, Developer agrees that, as liquidated damages for the non-performance of its obligations under this Agreement, in addition to any other remedy available to Franchisor, Developer shall pay to Franchisor US\$----- initially and US\$----- per month per violation for so long as each such violation remains uncured; provided, however, that this provision will only be operative upon material breaches of this Agreement which are in Developer's or Developer's Principals' control.

11. DUE DILIGENCE AND ASSUMPTION OF RISK

FRANCHISOR EXPRESSLY DISCLAIMS THE MAKING OF, AND DEVELOPER AND EACH OF DEVELOPER'S PRINCIPALS ACKNOWLEDGE THAT THEY HAVE NOT RECEIVED OR RELIED UPON, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE POTENTIAL PERFORMANCE OR VIABILITY OF THE BUSINESS VENTURE CONTEMPLATED BY THIS AGREEMENT.

12. DISPUTE RESOLUTION

12.1 Mediation Except for infringement of Proprietary Marks, Animated Entertainment or other violation of Franchisor's intellectual property rights, regarding which Franchisor may apply for emergency, special, or injunctive relief, both Franchisor and Developer will attempt in good faith to settle any dispute related to this Agreement. If Franchisor and Developer are unable to do so, they hereby agree to submit to non-binding mediation prior to bringing such claim, controversy or dispute in a court. NATIONAL ADVERTISING FUND
PROMISSORY NOTE

\$800,000.00

Irving, Texas

Dated as of
December 22, 1997

FOR VALUE RECEIVED, the undersigned INTERNATIONAL ASSOCIATION OF SHOWBIZ PIZZA TIME RESTAURANTS, INC. ("Borrower"), a Texas corporation, promises to pay to SHOWBIZ PIZZA TIME, INC. ("Lender"), a Kansas corporation (hereinafter collectively referred to as "Parties"), the principal sum of EIGHT HUNDRED THOUSAND AND NO/100 DOLLARS (\$800,000.00), or so much thereof as may from time to time be advanced, together with interest accrued on the unpaid principal balance hereof as set forth below.

1. Interest Rate. The unpaid principal amount hereof from time to time outstanding from the date hereof until maturity shall bear interest at ten and one-half percent (10.5%). Interest shall be calculated at the end of each Lender's monthly accounting periods (which will not correspond with calendar months due to Lender's 52 week fiscal year) based on the average between the principal amounts outstanding and unpaid at the beginning of the monthly accounting period and at the end of such period, but shall be charged and collected based on the actual number of days elapsed.

2. Payment of Principal and Interest. Each payment by Borrower to Lender on this Note shall be applied first to fees and/or costs, if any, pursuant to Section 8 hereof and then applies to any accrued interest, and then any remaining portion of the payment after such applications shall be applied to reduction of outstanding principal balance of this Note.

3. Revolving Note. This Note is a "revolving line of credit" note. Principal advances may be made, from time to time, up to the principal amount of this Note, and principal advances may be made, from time to time, up to the principal amount of this Note, and principal payments may, from time to time, be made by Borrower to reduce the principal balance owing pursuant to this Note. This Note may be prepaid in whole or in part at any time without penalty or premium. In no event shall any principal advance be made after December 31, 1998, and all amounts outstanding will be due and payable at that time.

4. Line of Credit Agreement. This Note is issued pursuant to, is entitled to the benefit of, and is subject to the provisions of the National Advertising Production Fund Line of Credit Agreement (the "Agreement") between Borrower and Lender dated the same date as this Note.

5. Events of Default. The outstanding principal and accrued interest hereon shall mature and become automatically due and payable, without notice or demand, upon the occurrence and during the continuance of any of the following events of default:

- (a) The failure by Borrower to make a payment of any principal or interest on the Note within ten (10) days after the same becomes due and payable;
- (b) The failure by Borrower to perform any of its obligations, except the payment of principal and interest, arising under this Note, the Agreement or

any other agreement between Borrower and Lender within five (5) days after receipt of written notice of such failure; or

- (c) The filing by or against the Borrower of a voluntary or involuntary proceeding seeking liquidation, reorganization or other relief with respect to Borrower or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official for Borrower or any substantial part of its property and, in the case of any involuntary proceeding not consented to by Borrower, such proceeding is not dismissed within sixty (60) days of its filing.

6. Remedies. The following remedies are available to Lender if Borrower is in default under this Note: (a) the outstanding principal and accrued interest under the Note shall mature and become automatically due and payable, without notice or demand; (b) Lender may terminate its commitment to advance monies under this Note; and (c) Lender may exercise any other remedies available to it at law or in equity.

7. Waiver. Borrower, sureties, endorsers, guarantors and any other party now or hereafter liable for the payment of this Note, in whole or in part, hereby severally (a) waive presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices, filing of suit and diligence in collecting this Note or enforcing any other security with respect to same, (b) agree to any substitution, subordination, exchange or release of any such security or the release of any parties primarily or secondarily liable hereon, (c) agree that the Lender shall not be required first to institute suit or exhaust its remedies hereon against the Borrower, or other any party liable or to become liable hereon or to enforce its rights against any or all of them or any security with respect to same, and (d) consent to any extension or postponement of time of payment of this Note and to any other indulgence with respect hereto without notice hereof to any of them.

8. Collection Fees. If this Note is not paid at maturity and is placed in the hands of a collection agency or an attorney for collection, or if it is collected through a bankruptcy or any other court after maturity, then the Lender shall be entitled to reasonable fees and court costs for collection.

9. Limitation of Agreements. All agreements between the Borrower and the Lender, whether now existing or hereafter arising and whether written or oral, are hereby expressly limited so that in no contingency or event, whether by reason of demand or otherwise, shall the amount paid, or agreed to be paid to the Lender for the use, forbearance, or detention of the money to be loaned under this Note or otherwise or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing security or pertaining to the loan evidenced hereby, exceed the maximum amount permissible under applicable law, as now existing or as hereafter amended. If from any circumstances whatsoever fulfillment of any provision hereof or in any of such other documents at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstances the Lender shall ever receive interest (or anything which might be deemed interest under applicable law) which would exceed the highest rate of interest allowed by

applicable law, such amount which would be excessive interest shall be applied to the reduction of the principal due hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of this Note, such excess shall be refunded to the Borrower. All sums paid or agreed to be paid to the Lender shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the actual rate of interest on account of such indebtedness is uniform, or does not exceed the maximum rate permitted by applicable law as now existing or hereafter amended, throughout the term thereof. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between the Lender and the Borrower.

10. Records. Borrower hereby appoints Lender as the authorized agent of Borrower with full authority to record on the Payment Grid ("Grid") attached hereto as Exhibit A, and incorporated herein by reference for all purposes, the dates of each transaction, amounts of all principal advances, as well as principal and interest payments, made under this Note, and balance due on the Note. This Grid (and all notations made thereto) shall be conclusive evidence of the actual amounts of principal and accrued interest advanced and/or outstanding under this Note.

11. Notice. Any notice required to be provided to Borrower hereunder shall be in writing and shall be deemed sufficiently given or furnished if delivered by personal delivery, telecopy, expedited delivery service with proof of delivery, or by registered or certified United States mail, postage prepaid, at Borrower's address shown below or at Borrower's most current address on file with Lender. Any such notice shall be deemed to have been given at the time of personal delivery, or in the case of telecopy, upon receipt, or in the case of delivery service or mail, as of the date of the first attempted delivery at the address and in the manner provided herein. Borrower promises to give Lender prompt notice of any change in Borrower's address.

12. Miscellaneous.

- (a) No failure or delay by Lender in exercising any right, power or privilege under this Note or the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further exercise thereof or the exercise or any other right, power or privilege.
- (b) The captions used in this Note are for convenience only and shall not be deemed to amplify, modify or limit any provision hereof.
- (c) Words of any gender used in this Note shall be construed to include any other gender, and words in the singular shall include the plural and vice versa, unless the context otherwise requires.
- (d) This Note shall be binding upon and inure to the benefit of the Parties and their respective heirs, legal representatives, successors and assigns.
- (e) This Note, together with the Agreement, contains the entire agreement between the Parties with respect to the subject matter hereof and can be altered, amended or modified only by a written instrument executed by both Parties.
- (f) This Note may be executed in multiple copies, each of which shall be deemed an original, and all of

such copies shall together constitute one and the same instrument.

(g) Time is of the essence in the performance of each obligation, covenant and condition under this Note.

(h) This Note shall be governed by the laws of the State of Texas.

(i) This Note is performable in Dallas County, Texas.

5. Events of Default. The outstanding principal and accrued interest hereon shall mature and become automatically due and payable, without notice or demand, upon the occurrence and during the continuance of any of the following events of default:

- (a) The failure by Borrower to make a payment of any principal or interest on the Note within ten (10) days after the same becomes due and payable;

- (b) The failure by Borrower to perform any of its obligations, except the payment of principal and interest, arising under this Note, the Agreement or any other agreement between Borrower and Lender within five (5) days after receipt of written notice of such failure; or
- (c) The filing by or against the Borrower of a voluntary or involuntary proceeding seeking liquidation, reorganization or other relief with respect to Borrower or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official for Borrower or any substantial part of its property and, in the case of any involuntary proceeding not consented to by Borrower, such proceeding is not dismissed within sixty (60) days of its filing.

6. Remedies. The following remedies are available to Lender if Borrower is in default under this Note: (a) the outstanding principal and accrued interest under the Note shall mature and become automatically due and payable, without notice or demand; (b) Lender may terminate its commitment to advance monies under this Note, and (c) Lender may exercise any other remedies available to it at law or in equity.

7. Waiver. Borrower, sureties, endorsers, guarantors and any other party now or hereafter liable for the payment of this Note, in whole or in part, hereby severally (a) waive presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices, filing of suit and diligence in collecting this Note or enforcing any other security with respect to same, (b) agree to any substitution, subordination, exchange or release of any such security or the release of any parties primarily or secondarily liable hereon, (c) agree that the Lender shall not be required first to institute suit or exhaust its remedies hereon against the Borrower, or other any party liable or to become liable hereon or to enforce its rights against any or all of them or any security with respect to same, and (d) consent to any extension or postponement of time of payment of this Note and to any other indulgence with respect hereto without notice hereof to any of them.

8. Collection Fees. If this Note is not paid at maturity and is placed in the hands of a collection agency or an attorney for collection, or if it is collected through a bankruptcy or any other court after maturity, then the Lender shall be entitled to reasonable fees and court costs for collection.

9. Limitation of Agreements. All agreements between the Borrower and the Lender, whether now existing or hereafter arising and whether written or oral, are hereby expressly limited so that in no contingency or event, whether by reason of demand or otherwise, shall the amount paid, or agreed to be paid to the Lender for the use, forbearance, or detention of the money to be loaned under this Note or otherwise or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing security or pertaining to the loan evidenced hereby, exceed the maximum amount permissible under applicable law, as now existing or as hereafter amended, If from any circumstances whatsoever fulfillment of any provision hereof or in any of such other documents at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if

from any such circumstances the Lender shall ever receive interest (or anything which might be deemed interest under applicable law) which would exceed the highest rate of interest allowed by applicable law, such amount which would be excessive interest shall be applied to the reduction of the principal due hereunder and not to the payment of interest, or if such excessive interest, exceeds the unpaid balance of principal of this Note, such excess shall be refunded to the Borrower. All sums paid or agreed to be paid to the Lender shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the actual rate of interest on account of such indebtedness is uniform, or does not exceed the maximum rate permitted by applicable law as now existing or hereafter amended, throughout the term thereof. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between the Lender and the Borrower.

10. Records. Borrower hereby appoints Lender as the authorized agent of Borrower with full authority to record on the Payment Grid ("Grid") attached hereto as Exhibit A, and incorporated herein by reference for all purposes, the dates of each transaction, amounts of all principal advances, as well as principal and interest payments, made under this Note, and balance due on the Note. This Grid (and all notations made thereto) shall be conclusive evidence of the actual amounts of principal and accrued interest advanced and/or outstanding under this Note.

11. Notice. Any notice required to be provided to Borrower hereunder shall be in writing and shall be deemed sufficiently given or furnished if delivered by personal delivery, telecopy, expedited delivery service with proof of delivery, or by registered or certified United States mail, postage prepaid, at Borrower's address shown below or at Borrower's most current address on file with Lender. Any such notice shall be deemed to have been given at the time of personal delivery, or in the case of telecopy, upon receipt, or in the case of delivery service or mail, as of the date of the first attempted delivery at the address and in the manner provided herein. Borrower promises to give Lender prompt notice of any change in Borrower's address.

12. Miscellaneous.

- (a) No failure or delay by Lender in exercising any right, power or privilege under this Note or the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any further exercise thereof or the exercise or any other right, power or privilege.
- (b) The captions used in this Note are for convenience only and shall not be deemed to amplify, modify or limit any provision hereof.
- (c) Words of any gender used in this Note shall be construed to include any other gender, and words in the singular shall include the plural and vice versa, unless the context otherwise requires.
